1. Some of the insurance requirements seem as though they do not apply to the services we provide. Can the Insurance Requirements be reduced?

Answer: You can submit this as an "Exception" under Tab 6 of the proposal. Be sure to explain what requirements you feel do not apply.

2. There is a typo under "#DD Contract Period " – page 12 of 34 (at the bottom of the page.) It states the contract period is from September 1, 2021 to August 31, 2022. Should it read: September 1, 2022 to August 31, 2023.

Answer: See Addendum 1 that was posted on March 4, 2022 for the correct dates.
