AA. Safety:

1. The Successful Bidder shall comply with and ensure that the Successful Bidder's personnel comply with all current applicable local, state and federal policies, regulations and standards relating to safety and health, including, by way of illustration and not limitation, the standards of the Virginia Occupational Safety and Health Administration for the industry. The provisions of all rules and regulations governing safety as adopted by the Safety and Health Codes Board of the Commonwealth of Virginia and issued by the Department of Labor and Industry under Title 40.1 of the Code of Virginia shall apply to all work under the Contract. The Successful Bidder shall provide or cause to be provided all technical expertise, qualified personnel, equipment, tools and materials to safely accomplish the work specified and performed by the Successful Bidder.
2. The Successful Bidder shall have, at each location at which the Successful Bidder provides goods and/or services, a supervisor who is competent, qualified, or authorized on the work site, and who is familiar with policies, regulations and standards applicable to the work being performed. The supervisor must be capable of identifying existing and predictable hazards in the surroundings or working conditions which are hazardous or dangerous to employees or the public, and must be capable of ensuring that applicable safety regulations are complied with, and shall have the authority and responsibility to take prompt corrective measures, which may include removal of the Successful Bidder's personnel from the work site.
3. In the event the County determines any operations of the Successful Bidder to be hazardous, the Successful Bidder shall immediately discontinue such operations upon receipt of either written or oral notice by the County to discontinue such practice.

- BB. Minority-, Woman-, Service Disabled Veteran-Owned, Small Business and Employment Services Organizations:
1. It is the policy of the County to actively seek out and provide contracting opportunities to minority-, woman-, service disabled veteran-owned, small businesses and employment services organizations in procurement transactions made by the County.
  2. The County strongly encourages all suppliers to respond to Invitations for Bids and Request for Proposals and supports the use of minority, woman-, service disabled veteran-owned, small businesses and employment services organizations for sub-contracting opportunities.
  3. All formal solicitations are posted on the Commonwealth of Virginia eVA website and the County's website at <https://henrico.us/finance/divisions/purchasing/> and may be viewed under the Bids and Proposals link.
- CC. Subcontracts:
- No portion of the work shall be subcontracted without prior written consent of the County. In the event that the Successful Bidder desires to subcontract some part of the work specified in the Contract, the Successful Bidder shall furnish the County the names, qualifications, and experience of the proposed subcontractors. The Successful Bidder shall, however, remain fully liable and responsible for the work to be done by his/her subcontractor(s) and shall assure compliance with all the requirements of the Contract.
- DD. Submission of Bids:

  3. The Bid Form must be completed in blue or black ink. Discrepancies in the multiplication of units of work and the unit prices will be resolved in favor of the correct multiplication of the unit prices. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum.
  4. All erasures, insertions, additions, and other changes made by the Bidder to the Bid Form shall be signed or initialed by the Bidder. Bids containing any conditions, omissions, erasures, alterations, or items not called for in the bid, may be rejected by the Purchasing Division as being incomplete or nonresponsive.
  5. The Bid Form must be signed in order to be considered. If the Bidder is a corporation, the bid must be submitted in the name of the corporation, not simply the corporation's trade name. In addition, the Bidder must indicate the corporate title of the individual signing the bid.
  6. Bidders must upload and submit all required documents and pricing by the time and due date for the Bids. eVA will automatically determine the time for the receipt of Bids. eVA will not permit a Bidder to submit a Bid after the time for receipt of bids. Bidders bear all responsibility for ensuring their Bids and supporting documentation are submitted on time. The County bears no responsibility for a Bidder's inability to submit a complete Bid submission timely for any reason, any problems with internet connectivity, or the Bidder inability to access eVA. Bidders are encouraged to submit bids with sufficient time to resolve any technical problems they may experience.

7. The time for the receipt of bids shall be determined by the time clock in eVA. Bidders are responsible for ensuring that their bids are submitted in eVA by the deadline indicated.
8. All bids received in eVA by the deadline indicated will be kept sealed and unopened until the time and date set for the opening of bids.
9. All line items must be filled in. It is understood and agreed, if Bidder indicates a "0" dollar amount on the Bid Form, the product or service shall be provided at no charge.

EE. Successful Bidder's Obligation to Pay Subcontractors:

Code § 2.2-4354):
2. Pay the subcontractor(s) for the proportionate share of the total payment received from the County attributable to the work performed by the subcontractor(s) under the contract; or
3. Notify the County and subcontractor(s), in writing, of their intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.
4. The Successful Bidder shall pay interest to the subcontractor(s) on all amounts owed by the Successful Bidder that remain unpaid after seven (7) days following receipt by the Successful Bidder of payment from the County for work performed by the subcontractor(s) under the contract, except for amounts withheld as allowed in subparagraph 1.(b) of this section. Unless otherwise provided under the terms of this contract, interest shall accrue at the rate of one percent (1%) per month.
5. The Successful Bidder shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor(s).
6. The Successful Bidder's obligation to pay an interest charge to a subcontractor(s) pursuant to the payment clause in this section may not be construed to be an obligation of the County. A contract modification may not be made for the purpose of providing reimbursement for such interest charge and a cost reimbursement claim shall not include any amount for reimbursement for such interest charge.

FF. Successful Bidder's Performance:

1. Goods and services must be delivered and rendered strictly in accordance with this bid and shall not deviate in any way from the terms, conditions, prices, quality, quantity, delivery instructions, and specifications of this bid.
2. All goods and/or services delivered and/or rendered shall comply with all applicable federal, state, and local laws, and shall not infringe any valid patent or trademark. The Successful Bidder shall indemnify, keep, save, and hold the County, its officers and employees, harmless from any liability for infringement and from any and all claims or allegations of infringement by the Bidder or the County, its officers and employees, arising from, growing out of, or in any way involved with the goods delivered or services rendered pursuant to this purchase.
3. In the event that suit is brought against the County (including Henrico County Public Schools), its officers and/or its employees, either independently or jointly with the Successful Bidder, the Successful Bidder shall defend the County, its officers and employees, in any such suit at no cost to the County and the County's officers and employees. In the event that final judgment is obtained against the County, its officers,

and/or its employees, either independently or jointly with the Successful Bidder, then the Successful Bidder shall pay such judgment, including costs and attorneys fees, if any, and hold the County, its officers and employees, harmless therefrom.

4. The Successful Bidder shall ensure that its employees shall observe and exercise all necessary caution and discretion so as to avoid injury to person or damage to property of any and all kinds.
5. The Successful Bidder shall not, in its product literature or advertising, refer to this purchase or the use of the Bidder's goods or services by the County, Virginia.
6. The Successful Bidder shall cooperate with County officials in performing the specified work so that interference with the County's activities will be held to a minimum.
7. The Successful Bidder shall be solely responsible for initiating, maintaining, and supervising all safety precautions and programs. The provisions of all rules and regulations governing safety as adopted by the Safety Codes Commission of the Commonwealth of Virginia and as issued by the Department of Labor and Industry under Title 40.1 of the Code of Virginia shall apply to all work under this purchase order.

GG. Taxes:

1. The County is exempt from the payment of federal excise or state sales taxes on all tangible, personal property for its use or consumption except taxes paid on materials that will be installed by the Bidder and become a part of real property.
2. If a Bidder is bidding on materials that require installation by the Bidder and become a part of real property, the applicable taxes shall be included in the lump sum bid price for the installation of the material and not as a separate charge for taxes. The taxes shall be an obligation of the Successful Bidder and not of the County, and the County shall be held harmless for same by the Successful Bidder.
3. The Purchasing Division will furnish a Tax Exemption Certificate (Form ST-12) upon request and if applicable to this contract.
4. When a Bidder lists a separate tax charge on the Bid Form and the tax is not applicable to the purchase by the County, the Bidder will be allowed to delete the tax from its bid.

HH. Termination of the Contract:

1. If the Successful Bidder should be adjudged bankrupt, or make a general assignment for the benefit of its creditors, or if a receiver should be appointed on account of the Successful Bidder's insolvency, or if the Successful Bidder should persistently or repeatedly refuse or should fail, except in cases for which extension of time is provided, to deliver the goods or services within the time specified, or if the Successful Bidder otherwise defaults, then the County may without prejudice to any other right or remedy, and after giving the Successful Bidder seven (7) calendar days written notice, terminate the employment of the Successful Bidder and procure such goods or services from other sources. In such event, the Successful Bidder shall be liable to the County for any additional cost occasioned by such failure or other default.
2. In such cases, the Successful Bidder shall not be entitled to receive any further payment. If the expense of finishing the contract requirements, including compensation for additional managerial and administrative services shall exceed the unpaid balance of the contract price, the Successful Bidder shall pay the difference to the County.
3. Notwithstanding anything to the contrary contained in the contract between the County and the Successful Bidder, the County may, without prejudice to any other rights it may have, terminate the contract for convenience and without cause, by giving 30 days written notice to the Successful Bidder.

II. Trade Secrets/Proprietary Information:

Subject to the limitations of Va. Code § 2.2-4342(F), trade secrets or proprietary information submitted by a Bidder in connection with this procurement transaction shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the Bidder must invoke the protection of this section prior to or upon submission of data or materials, and must identify the data or other materials to be protected and state the reasons why protection is necessary (Va. Code § 2.2-4342(F)).

JJ. Use of Brand Names/Product Information:

1. Unless otherwise provided in the Invitation for Bid, the name of a certain brand, make or manufacturer does not restrict Bidders to the specific brand, make or manufacturer named; it conveys the general style, type, character, and quality of the article desired, and any article which the public body in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted (Va. Code § 2.2-4315).
2. If bidding other than specified, the Bidder will clearly and specifically identify the product being offered and enclose complete and detailed descriptive literature, catalog cuts and specifications with the Bid Form to enable the Purchasing Division to determine whether the product offered meets the requirements of the solicitation. Safety Data Sheets and descriptive literature will be provided with the Bid Form for each chemical and/or compound offered. Failure to do so may cause the bid to be considered nonresponsive and rejected.
3. It shall be understood that the burden of proof for an “equal” product shall be and remain the sole responsibility of the Bidder. The County’s decision of approval or disapproval of a proposed alternate shall be final. Nothing herein is intended to exclude any responsible Bidder, its product or service or in any way restrain or restrict competition.

KK. Withdrawal of Bid Due to Error (Other than Construction):

1. A Bidder may withdraw its bid from consideration if the price bid was substantially lower than the next low responsive bid due solely to a mistake therein, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.
2. The Bidder shall give written notice of their claim to withdraw their bid to the Purchasing Division within two business days after the conclusion of the bid opening procedure. (Va. Code § 2.2-4330). Written notice shall be emailed to the Purchasing Director at Kno008@henrico.us with a copy to Jon Creger at Cre057@henrico.us and must include all work papers, documents and materials used in the preparation of the Bid.
3. The Purchasing Division will inspect the written evidence submitted by the Bidder with the request and if the Purchasing Division can verify to its satisfaction and sole discretion that the mistake was a non-judgmental mistake, the Bidder will be allowed to withdraw the bid.
4. No bid shall be withdrawn under this section when the result would be the awarding of the contract on another bid of the same Bidder or of another Bidder in which the ownership of the withdrawing Bidder is more than five percent (5%). (Va. Code § 2.2-4330C).

5. No Bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit directly or indirectly from the performance of the project for which the withdrawn bid was submitted.
6. If a bid is withdrawn under authority of this section, the next lowest responsive and responsible Bidder shall be deemed to be the low Bidder.
7. If the Purchasing Division denies the withdrawal of a bid under the provisions of this section, it shall notify the Bidder in writing stating the reasons for its decision and award the contract to such Bidder at the bid price, provided such Bidder is a responsible and responsive Bidder.

LL. Occupational Safety & Health Policy Statement:

The Contractor shall comply with all applicable federal, state, and local occupational safety and health standards. The Contractor is required to abide by the County's Occupational Safety & Health Policy Statement: [https://henrico.us/pdfs/risk/h\\_safety\\_policy.pdf](https://henrico.us/pdfs/risk/h_safety_policy.pdf) which emphasizes maintaining a safe and healthy work environment for all employees, volunteers, and contractors who access County property and locations. The Contractor shall be properly trained and have any necessary certifications to carry out occupational safety and health policy responsibilities. The Contractor shall immediately communicate any concerns or incidents to the assigned County Project Manager and the County Risk Manager.

MM. Direct Contact with Students Certification:

Pursuant to Va. Code § 22.1-296.1, as a condition of awarding a contract for the provision of services that require the contractor or employees of the contractor to have direct contact with students on school property during regular school hours or during school-sponsored activities, the contractor shall provide certification of whether any individual who will provide such services has been convicted of any violent felony set forth in the definition of barrier crime in subsection A of Va. Code § 19.2-392.02; any offense involving the sexual molestation, physical or sexual abuse, or rape of a child; or any crime of moral turpitude.

Any individual making a materially false statement regarding any such offense is guilty of a Class 1 misdemeanor and, upon conviction, the fact of such conviction is grounds for the revocation of the contract to provide such services and, when relevant, the revocation of any license required to provide such services.

**The County cannot award a contract to a Bidder that does not complete the Attachment C as part of their submission.**

NN. Tobacco-Free Requirement: Henrico County Public Schools ("HCPS") has a tobacco-free policy on school property. Therefore, the use or display of tobacco products by the Contractor, its suppliers and/or subcontractors on school property is strictly prohibited at all times, including days and/or hours when school is not in session. This includes, but is not limited to, outdoor areas of school properties and personal or business vehicles present on school property.

"Tobacco products" include any lit or unlit cigarette (including candy cigarettes), cigar, pipe, smokeless tobacco, dip, chew, and snuff in any form. This includes electronic cigarettes, cigarette packages, smokeless tobacco containers, lighters, and any other items containing or reasonably resembling tobacco, tobacco product images and tobacco company logos, such as key chains, t-shirts, ash trays, and coffee mugs.

If agreed to by the Successful Bidder, other public bodies of the Commonwealth of Virginia may make purchases under the resulting contract at the prices set forth herein and in accordance with its terms, conditions and specifications, subject to any modifications necessary to comply with local policy or practice to which the Successful Bidder agrees. The Successful Bidder shall deal directly with any public body it authorizes to use the resulting contract. The County, its officials and its staff are not responsible for placement of orders, invoicing, payments, contractual disputes, or any other transactions between the Successful Bidder and any other public bodies, and in no event shall the County, its officials or staff be responsible for any costs, damages or injury resulting to any party from use of a County contract. The County assumes no responsibility for any notification of the availability of the resulting contract for use by other public bodies, but the Successful Bidder may conduct such notification.
