7. The time for the receipt of bids shall be determined by the time clock in eVA. Bidders are responsible for ensuring that their bids are submitted in eVA by the deadline indicated.
8. All bids received in eVA by the deadline indicated will be kept sealed and unopened until the time and date set for the opening of bids.
9. All line items must be filled in. It is understood and agreed, if Bidder indicates a "0" dollar amount on the Bid Form, the product or service shall be provided at no charge.

EE. Successful Bidder's Obligation to Pay Subcontractors:

1. The Successful Bidder awarded the contract for this project shall take one of the two following actions within seven (7) days after the receipt of amounts paid to the Successful Bidder by the County for work performed by the Successful Bidder's subcontractor(s) under the contract (Va. Code § 2.2-4354):

2. Pay the subcontractor(s) for the proportionate share of the total payment received from the County attributable to the work performed by the subcontractor(s) under the contract; or
3. Notify the County and subcontractor(s), in writing, of their intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.
4. The Successful Bidder shall pay interest to the subcontractor(s) on all amounts owed by the Successful Bidder that remain unpaid after seven (7) days following receipt by the Successful Bidder of payment from the County for work performed by the subcontractor(s) under the contract, except for amounts withheld as allowed in subparagraph 1.(b) of this section. Unless otherwise provided under the terms of this contract, interest shall accrue at the rate of one percent (1%) per month.
5. The Successful Bidder shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor(s).
6. The Successful Bidder's obligation to pay an interest charge to a subcontractor(s) pursuant to the payment clause in this section may not be construed to be an obligation of the County. A contract modification may not be made for the purpose of providing reimbursement for such interest charge and a cost reimbursement claim shall not include any amount for reimbursement for such interest charge.

FF. Successful Bidder's Performance:

1. Goods and services must be delivered and rendered strictly in accordance with this bid and shall not deviate in any way from the terms, conditions, prices, quality, quantity, delivery instructions, and specifications of this bid.
2. All goods and/or services delivered and/or rendered shall comply with all applicable federal, state, and local laws, and shall not infringe any valid patent or trademark. The Successful Bidder shall indemnify, keep, save, and hold the County, its officers and employees, harmless from any liability for infringement and from any and all claims or allegations of infringement by the Bidder or the County, its officers and employees, arising from, growing out of, or in any way involved with the goods delivered or services rendered pursuant to this purchase.
3. In the event that suit is brought against the County (including Henrico County Public Schools), its officers and/or its employees, either independently or jointly with the Successful Bidder, the Successful Bidder shall defend the County, its officers and employees, in any such suit at no cost to the County and the County's officers and employees. In the event that final judgment is obtained against the County, its officers, and/or its employees, either independently or jointly with the Successful Bidder, then the Successful Bidder shall pay such judgment, including costs and attorney's fees, if any, and hold the County, its officers and employees, harmless therefrom.
4. The Successful Bidder shall ensure that its employees shall observe and exercise all necessary caution and discretion so as to avoid injury to person or damage to property of any and all kinds.
5. The Successful Bidder shall not, in its product literature or advertising, refer to this purchase or the use of the Bidder's goods or services by the County, Virginia.

6. The Successful Bidder shall cooperate with County officials in performing the specified work so that interference with the County's activities will be held to a minimum.
7. The Successful Bidder shall be solely responsible for initiating, maintaining, and supervising all safety precautions and programs. The provisions of all rules and regulations governing safety as adopted by the Safety Codes Commission of the Commonwealth of Virginia and as issued by the Department of Labor and Industry under Title 40.1 of the Code of Virginia shall apply to all work under this purchase order.

GG. Taxes:

1. The County is exempt from the payment of federal excise or state sales taxes on all tangible, personal property for its use or consumption except taxes paid on materials that will be installed by the Bidder and become a part of real property.
2. If a Bidder is bidding on materials that require installation by the Bidder and become a part of real property, the applicable taxes shall be included in the lump sum bid price for the installation of the material and not as a separate charge for taxes. The taxes shall be an obligation of the Successful Bidder and not of the County, and the County shall be held harmless for same by the Successful Bidder.
3. The Purchasing Division will furnish a Tax Exemption Certificate (Form ST-12) upon request and if applicable to this contract.
4. When a Bidder lists a separate tax charge on the Bid Form and the tax is not applicable to the purchase by the County, the Bidder will be allowed to delete the tax from its bid.

HH. Trade Secrets/Proprietary Information:

Subject to the limitations of Va. Code § 2.2-4342(F), trade secrets or proprietary information submitted by a Bidder in connection with this procurement transaction shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the Bidder must invoke the protection of this section prior to or upon submission of data or materials, and must identify the data or other materials to be protected and state the reasons why protection is necessary (Va. Code § 2.2-4342(F)).

II. Use of Brand Names/Product Information:

1. Unless otherwise provided in the Invitation for Bid, the name of a certain brand, make or manufacturer does not restrict Bidders to the specific brand, make or manufacturer named; it conveys the general style, type, character, and quality of the article desired, and any article which the public body in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted (Va. Code § 2.2-4315).
2. If bidding other than specified, the Bidder will clearly and specifically identify the product being offered and enclose complete and detailed descriptive literature, catalog cuts and specifications with the Bid Form to enable the Purchasing Division to determine whether the product offered meets the requirements of the solicitation. Safety Data Sheets and descriptive literature will be provided with the Bid Form for each chemical and/or compound offered. Failure to do so may cause the bid to be considered nonresponsive and rejected.

3. It shall be understood that the burden of proof for an “equal” product shall be and remain the sole responsibility of the Bidder. The County’s decision of approval or disapproval of a proposed alternate shall be final. Nothing herein is intended to exclude any responsible Bidder, its product or service or in any way restrain or restrict competition.

JJ. Withdrawal of Bid Due to Error (Other than Construction):

1. A Bidder may withdraw its bid from consideration if the price bid was substantially lower than the next low responsive bid due solely to a mistake therein, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.
2. The Bidder shall give written notice of their claim to withdraw their bid to the Purchasing Division within two business days after the conclusion of the bid opening procedure. (Va. Code § 2.2-4330). Written notice shall be emailed to the Purchasing Director at kno008@henrico.us with a copy to Melody Jett at jet005@henrico.us and must include all work papers, documents and materials used in the preparation of the Bid.
3. The Purchasing Division will inspect the written evidence submitted by the Bidder with the request and if the Purchasing Division can verify to its satisfaction and sole discretion that the mistake was a non-judgmental mistake, the Bidder will be allowed to withdraw the bid.
4. No bid shall be withdrawn under this section when the result would be the awarding of the contract on another bid of the same Bidder or of another Bidder in which the ownership of the withdrawing Bidder is more than five percent (5%). (Va. Code § 2.2-4330C).
5. No Bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit directly or indirectly from the performance of the project for which the withdrawn bid was submitted.
6. If a bid is withdrawn under authority of this section, the next lowest responsive and responsible Bidder shall be deemed to be the low Bidder.
7. If the Purchasing Division denies the withdrawal of a bid under the provisions of this section, it shall notify the Bidder in writing stating the reasons for its decision and award the contract to such Bidder at the bid price, provided such Bidder is a responsible and responsive Bidder.

KK. Occupational Safety & Health Policy Statement:

The Contractor shall comply with all applicable federal, state, and local occupational safety and health standards. The Contractor is required to abide by the County's Occupational Safety & Health Policy Statement: https://henrico.us/pdfs/risk/h_safety_policy.pdf which emphasizes maintaining a safe and healthy work environment for all employees, volunteers, and contractors who access County property and locations.
