 - c. As part of its proposal, Offeror must certify that it has not defaulted on any government contract in the last five years or must explain any such default in reasonable detail.  - f. If the Offeror fails to submit certifications or explanations in accordance with this section, the Purchasing Division may require prompt submission of missing information and/or give a lowered evaluation of the proposal.
 - g. The Offeror must notify the County immediately if the Offeror discovers that its certification was erroneous when submitted or has become erroneous.
 - h. The fact that an Offeror defaulted on a government contract in the last five years; the fact that a government terminated a contract with the Offeror for cause in the past five years; or the fact that Offeror or any of its officers, directors, partners, or owners has been barred from bidding on contracts by any federal, state, or local government body will not necessarily result in the County deeming the Offeror nonresponsible.
