- K. All proposals received on time shall be accepted for consideration. Proposals shall be open to public inspection only after award of the Contract.
- L. Responsible Offeror Certification
1. “Responsible offeror” means a person who has the capability, in all respects, to perform fully the contract requirements and the moral and business integrity and reliability that will assure good faith performance, and who has been prequalified, if required.
 2. In determining whether an Offeror is responsible, the County will consider whether the Offeror has defaulted on any government contract in the last five years; whether any government has terminated a contract with the Offeror for cause in the last five years; and whether Offeror or any of its officers, directors, partners, or owners is currently barred from participating in any procurements by any federal, state, or local government agency.
 3. As part of its proposal, Offeror must certify that it has not defaulted on any government contract in the last five years or must explain any such default in reasonable detail. The County may deem any such explanation of default insufficient if it does not include contact information for the government on whose contract Offeror defaulted.
 4. As part of its submission, Offeror must certify that no government has terminated a contract with the Offeror for cause in the last five years or must explain any such termination for cause in reasonable detail. The County may deem any such explanation of termination for cause insufficient if it does not include contact information for the government that terminated a contract with the Offeror for cause.
 5. As part of its submission, Offeror must certify that neither it nor any of its officers, directors, partners, or owners is currently barred from participating in any procurements by any federal, state, or local government body. If Offeror cannot make such certification, Offeror must explain any ban in reasonable detail. The County may deem any such explanation insufficient if it does not include contact information for the public body that barred Offeror or Offeror’s officer, director, partner, or owner from participating in any procurement on any federal, state, or local government body’s contract.
 6. If the Offeror fails to submit certifications or explanations in accordance with this section, the Purchasing Division may require prompt submission of missing information and/or give a lowered evaluation of the proposal.
 7. The Offeror must notify the County immediately if the Offeror discovers that its certification was erroneous when submitted or has become erroneous.
 8. The fact that an Offeror defaulted on a government contract in the last five years; the fact that a government terminated a contract with the Offeror for cause in the past five years; or the fact that Offeror or any of its officers, directors, partners, or owners has been barred from bidding on contracts by any federal, state, or local government body will not necessarily result in the County deeming the Offeror nonresponsible.

9. If it is later determined that the Successful Offeror knowingly made a false certification, the County may terminate the contract for cause.

Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- (4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

- (7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.
