RE: RFP 22-2441-11ARA Classroom Library Book Services

Dear Mr. Walsh:

This letter is to inform you that your firm has been selected to enter into negotiations for the above referenced solicitation.

In order to begin the process, the Henrico County Public Schools ("HCPS") has compiled a list of items that need to be addressed:

1. Extended School Service Coverage- HCPS wishes to modify the scope of services for the resultant contract to include all grade levels Pre-Kindergarten through 12th Grade for all HCPS schools, centers, academies, etc.
 - Children's Plus Inc. will service all stated grade levels and will have no problem adhering to the modified scope.
2. Book labeling- With the change outlined in Item No.1, labeling requirements will require flexibility. Labeling requirements for Title I schools remain the same. However, HCPS requests for labeling of all other materials to be included with specific labeling text to be determined on an as needed basis and communicated to Children's Plus through when placing an order. Please confirm that there are no labeling fees, both for complete classroom libraries and for ad hoc orders. This will be for one (1) label only for each book.
 - There are no labeling fees for both outlined orders listed above.
3. Inside Delivery- Please confirm that all deliveries will be inclusive of inside delivery at no additional charge.
 - Confirmed that all deliveries will be inside delivery.
4. Storage Bins- Your proposal indicates that bins will be provided with the order, free of cost. Please confirm that bins will be provided, free of cost whether the order is for a classroom library or an ad hoc order to supplement a current library.
 - Bins will be provided free of cost for classroom library orders and ad hoc orders.

5. Professional Development Training and Materials- Please confirm that Children's Plus offers professional development training courses. Please provide the scope of these courses, fees for these courses, both in-person and virtual training. Are there professional books available, and what discount is Children's Plus offering for a standalone purchase of the professional books?
- Professional development books are available and training is subject to the publishers program and offered plans.
6. Percent Discount- Confirm that the proposed 25% discount off paperback books extends beyond the sample list provided in Children's Plus' original proposal.
- Yes, paperback books will be listed at a discount of 25% off
7. Exceptions- Are there any exceptions to the contract terms and conditions?
- No, there are no exceptions to the contract terms and conditions.

Children's Plus, Inc. (CPI) is pleased to submit this proposal to supply classroom library books and services to Henrico County Schools per the district's requirements.

CPI was founded in 1979 as a book distributor specializing in children's and young adult materials for school districts and public libraries. Since then, we have grown to serve some of the largest public library systems and school districts in the country.

CPI has over 140 employees, including dedicated account managers nationally located. Our corporate headquarters, located in Beecher, Illinois, houses our 40,000 square foot warehouse with over 1 million volumes in stock. The corporate headquarters is also the location of our state-of-the-art bindery, where our exclusive, high-quality prebound books are produced. Both the warehouse and the corporate office is open 8:00am to 5:00pm CST, Monday through Friday.

In addition to the thousands of titles listed on our website at www.hellocpi.com, we can furnish virtually any title in print. We have access to over 390,000 children's and young adult titles, including trade literature, school library publishers, Spanish, prebound collections, and more.

As we've grown, we've remained committed to providing the best in customer service, and we've worked to continue to add the value, tools, and resources needed for supplying today's libraries.

Tab 2 – Statement of the Scope

CPI will provide all labor, materials, books, an ordering method, delivery, and set up for the purchase of new libraries, expansion of current libraries, and replacement of portions of the libraries already in place.

All requirements, General Book, Ordering and Shipping, Billing and Invoicing, and other services required will be followed.

Tab 3 – Offeror Qualifications and Experience

CPI does not use cookie cutter or “one size fits all” lists to build collections. We believe that each campus is as unique as each child. Our expert content knowledge, on-staff librarians, and immense range of materials allows us to create completely customized and comprehensive collections using factors such as genres, reading levels, and industry and educational trends.

The creator of the classroom library collections is our Collection Development Manager, Sara Mantia. Sara has been with CPI for over 4 years and has close to 10 years in the book business. Sara’s attention to detail and passion for creating the perfect collection for each school and library she works with has led to high customer satisfaction and retention rates.

Joe Walsh, VP of Sales, will be the project manager and main contact. Joe has been with CPI for over a decade and has worked closely with many of our larger projects. Joe’s ability to manage large-scale projects will ensure that the classroom library project with HCPS will be a smooth and headache-free process.

CPI has happily supplied books within Virginia for many years and looks forward to doing so for many more. We have worked with Richmond Public Schools since 2019, Prince William County Schools since 2006, Manassas City Public Schools since 2006, and Buckingham County Schools since 2016.
